

Fields Zone Athletics Field Events and 1500m Carnival 2024

Dear Families,

Your child has been selected to represent our school at the Zone Athletics Field Events Carnival. The Carnival will take place on **Tuesday 27 August 2024** at Campbelltown Sports Stadium Athletics Centre (12 Old Leumeah Rd, Leumeah NSW 2566). Students need to be at the stadium no later than 8.45am. The event will finish at approximately 2.30pm.

The cost will be \$4.30 for entry to the stadium. The **\$4.30** needs to be paid to our school by **Friday 16 August**.

Families will need to transport their children to the stadium or organise a lift with another attending student. All students will assemble in our designated school area in the stadium grandstand, where Ms Clissold and Ms Aguilera will meet students. If your child will be travelling with another family, you are required to provide written permission for them to travel home with that family.

We encourage families to stay and watch their children compete. However, Ms Clissold and Ms Aguilera will be attending to supervise and support the children. They both have emergency care training and CPR training.

Canteen facilities may be available at the carnival. However, it is preferable that students bring their own healthy packed food to eat between races without having to wait in long canteen lines. Students should wear their sports uniform to the carnival. They must bring their school hat, sunscreen, a jacket and plenty of water to drink. Please label everything clearly with your child's name.

If your child is asthmatic, please ensure they have their Ventolin in their bag on the day.

Important information

In the event of injury, no personal injury insurance cover is provided by the NSW Department of Education for students in relation to school sporting activities, physical education lessons or any other school activity. The Department's public liability cover is fault-based and limited to breaches by the Department of its duty of care to students that may result in claims for compensation.

Parents/Carers are advised to assess the level and extent of their child/ward's involvement in the sport program offered by the school, school sport zone, region and state school sport Associations when deciding whether additional insurance cover is required prior to their child/ward's involvement in the program. Personal accident insurance cover is available through normal retail outlets.

Parents/Carers who have private ambulance cover need to check whether that cover extends to interstate travel and make additional arrangements, as considered appropriate.

The NSW Supplementary Sporting Injury Benefits Scheme, funded by the NSW Government, provides limited cover for serious injury resulting in the permanent loss of a prescribed faculty or the loss of use of certain prescribed parts of the body. The Supplementary Scheme does not cover medical costs or dental costs. Further information can be obtained from <https://www.icare.nsw.gov.au/injured-or-ill-people/sporting-injuries/payments/#qref>. Further information regarding student accident insurance and private health cover is provided at: <https://app.education.nsw.gov.au/sport/file/1449>.

Concussion Clearance

The Australian Medical Association recommends students being symptom free of concussion for 14 days before returning to sport.

- If your child/ward sustains a concussion, or experiences any concussion symptoms, in the 14 days period prior to the event commencing, you must report this to team officials, and a medical clearance is required in order for your child/ward to participate in the event.
- Medical clearances can be attached to this consent form or can be submitted to team officials separately.

Thank you
Ms Clissold & Ms Aguilera
