Dear Families,

Inquisitive Minds is a Sydney based educational business which focuses on creating positive mathematical experiences for students in primary schools. They run a range of exciting workshops in schools, where students are taught strategic problem-solving techniques and are given the opportunity to work on a series of engaging, original, hands-on maths problems.

Inquisitive Minds have developed a Stage 3 Talented Mathematicians Workshop, 'Out of the Box'. This workshop gives students the opportunity to participate in an interactive lesson, where they learn and apply strategic problem-solving skills. They then work alongside like-minded students from other schools on a selection of hands-on problems in a fast paced and challenging relay. The day ends with a more relaxed school vs school creative building session.

Your child has been selected to participate in a Talented Mathematicians OOTB Workshop which will be held at **Sackville Street Public School** on **Thursday 15 August 2024**. The Workshop will run from **9.30 am until 2:00 pm**. Students will need to bring their own food and are expected to wear full school uniform. The cost for this workshop will be \$25. Students will need to organise their own transportation to and from Sackville Street Public School. Ms Clissold will meet students at the entrance of Sackville Street Public School no later than **9.15am**. Students need to be picked up at **2pm** from the entrance of Sackville Street Public School. Feel free to contact Ms Clissold if you have any questions or concerns.

Please complete the consent below and return it by *Friday 2nd August*.

Please provide payment by *Friday 2nd August*.

Thank you,
Ms Clissold

Principal
Jo Fair

I give permission for (child's name) to participate in the *Talented Out of the Box* Workshop at Sackville Street Public School on Thursday 15 August.

My child has the following medical requirements:

Parent/Guardian signature

- I have paid \$25 via Sentral.
- I have enclosed \$25 in cash.
