

The department has moved the Year 6 to Year 7 transition process online to complete the Expression of Interest (EOI) and Placement not required (PNR) details for high school.

- To enrol your child in Year 7 for 2024, you will need to complete an Expression of Interest for Year 6 to Year 7 transition. The Expression of Interest (EOI) lets you indicate which school(s) you would like your child to attend in Year 7.
- Please visit <https://year7.enrol.education.nsw.gov.au/?schoolCode=4558> or go to our web page and click on the enrolment tab to complete your EOI. After you submit an EOI and it has been assessed, your child will be offered a place at a high school.
- The EOI process will only be available online until 28 March 2024.

***It is highly recommended that you complete this online process, or you will be required to complete a full enrolment after the closing date at your selected high school.***

- If your child will not be attending a NSW Government high school next year, please let us know by completing a Placement Not Required (PNR) details online.
- **If you are unsure whether your child will be attending a NSW Government school (you've applied for a private school, or you are moving interstate), we ask that you still complete an EOI and follow up with your school once a decision has been made.**
- The online process will guide you through your options and collect the information required to make the process as smooth as possible.
- For families who are not able to complete an application online, please contact the office.
