The Grapevine

Term 4 Week 4

Dear parents & caregivers

Kindergarten Enrolments for 2019:

Your child is eligible to enrol at our school if they are five or turning five on or before 31 July 2019. If you will be enrolling your child for Kindergarten next year, please contact the office staff for enrolment details.

If you are applying for 'Out of Area' enrolment, contact the office staff for the appropriate form and return the form to the school as soon as possible. We cannot guarantee placement for 'Out of Area' children until we review all the applications. Each case is considered separately.

SCHOOL PLANNING INFORMATION

The last day of school for students this year is **WEDNESDAY 19 December 2018**.

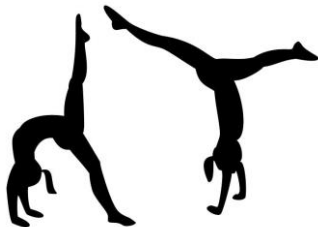

All staff members have completed time in lieu for the two professional learning days that are scheduled for 20 and 21 December 2018. They have remained back at school on four occasions until 6.30pm completing various learning activities and evaluative projects. Therefore, there will be **no staff** at school on these two days.

Be Skilled Be Fit

The whole school is taking part in the Gymnastics Lessons provided by this great company. The children do not have to pay for this great program as I applied for a Sporting Grant (which covered part of the cost) and was successful and the school will provide the remainder.

Fridays of Weeks 1,2,3,4 : Years 3 - 6 attend

Fridays of Weeks 5,6,7,8 : K – 2 attend

AWARD REMINDER

This is a reminder to all students and parents that it is the responsibility of each child to look after their own PBL, Bronze, Silver and Gold Awards.

When they are ready to trade make sure you bring in the awards and give them to the class teacher who will sign the back of each award when they are traded so they cannot be reused.

Last day to trade in awards for 2018 is 7 December.

Party Day - 13 December 2018

Every even year all students leave the school to attend their party day excursion. Notes were sent home today for permission and payment. As all the students are off site along with all the teachers, it is important that all children attend their special activities.

Students leaving the School (except Yr 6)

Please let Mrs Lume in the office know if your child(ren) is not returning to Eschol Park PS next year. We need to organize classes and numbers and need this information in order to do this.

Silver BBQ and Gold Morning Tea

Invitations will be sent out soon for those children who have earned a Silver and/or Gold Award.

Quote of the week: Always remember that you're unique. Just like everyone else.

Little Blue Ariel

Once upon a time lived a little girl named Little Blue Ariel and her mum was named Chloe. They lived in the sea.

One morning her mum told Little Blue Ariel to take a basket of fruit and bread for her sick aunty Kimmy.

So she went off to her aunty's house to give her some fruit and bread so she could get better.

On the way there Little Blue Ariel ran into a shark!

The shark asked Little Blue Ariel where she was going. Little Blue Ariel said, "I'm going to my aunty's house to give her some bread and fruit." So then the shark said to Little Blue Ariel, "How pretty are those pearls?" Little Blue Ariel went over to the pearls and looked at them for a while.

While Little Blue Ariel was distracted with those pearls the shark went to Little Blue Ariel's aunty's house.

When the shark got to her aunty's house the shark ate Little Blue Ariel's aunty and dressed up as her aunty.

After a while Little Blue Ariel stopped looking at the pearls and went to her aunty's house. When she got there she said, "What big eyes you have." The shark said, "So I can see you better." "What big fins you have", said Little Blue Ariel. "It's so I can cuddle you better", said the shark.

"Those teeth are so I can eat you better", roared the shark.

Then the shark ate Little Blue Ariel.

The shark went to rest because he was so full. Then Lilly the octopus who makes houses, heard snoring coming from aunty Kimmy's house. Lilly went inside and saw a shark lying on aunty Kimmy's bed. Lilly saw the shark's belly moving, so she cut his belly up and found Little Blue Ariel and aunty Kimmy in his belly.

Little Blue Ariel and her aunty were safe and happy that they were out of the shark's belly and they lived happily ever after.

The Best Robot Ever

In the year 2020 everything changed. Trump had started the third World War, there were robots and it was very futuristic. I was just a boy named Jason who lived with my mum. We had gotten good at hiding.

For months we were scared and all alone. That was until one day when strangers barged into our house. We were frightened because they had big weapons. Before we knew it though, a robot showed up, destroying those weapons. It vowed to protect us no matter what, and from that day forward we had lots of fun.

We even went outside now that we had a robot to protect us. It was the best robot ever! That was until one day, when the robot died. It was taken away because the war was ending. I took the robots weapon to keep us safe though. Running outside I stopped all the robots that had my brother, sister and father captured.

We did live a happy life after everything, but it will take a long time to rebuild from the war. I cannot thank the best robot ever, enough.

Poems

Crying baby -Limerick

There was once a baby who wanted a dummy,
But instead he got a piece of cake that was very yummy.
He would cry and cry after he was done,
So they gave him another one,
Oh, that crying baby!

To Flowers

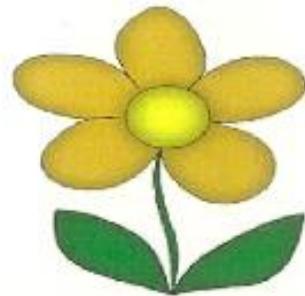

Oh flowers!

You are the best of all plants
Petals as soft as silk
Your fragrance smells so fresh
Your bright colours warm my soul
Oh, flowers how I adore you!

Christmas -Haiku

Christmas is so fun
Everyone enjoys it
Because of the gifts

To Ice-cream - Ode

Oh ice-cream!
You are the best of all treats
You're as cold as ice
A bowl of happiness which tastes nice
My heart smiles with every bite
Oh, ice-cream how I adore you!
