

Term 4 Week 10

Dear parents & caregivers

SCHOOL PLANNING INFORMATION

The last day of school for students is **THURSDAY 16 December 2021**.

The staff have completed time in lieu for the last professional learning day that is scheduled for 17 December 2021. They have remained at school on two occasions until 6.30pm completing various learning activities and evaluative projects.

There will be no staff (teaching or office) at school on 17 December 2021.

Medallion & Trophy Recipients

Year 6 students received their medallions and trophies at the Year 6 Farewell Dinner Dance.

One parent of students who are to receive **medallions or trophies in other grades** have been invited to attend the Presentation Day to share this very special celebration with their child. That parent must be fully vaccinated and show proof of this. We will represent the Trophies for Year 6 in front of their whole stage peers on Presentation Day.

Thank
You

A special thank you is extended to the Year 6 teachers & the Office staff for the fabulous job they all did to make the Farewell a special night for our Year 6 students.

Thank you to the many parents who came along and celebrated with their children.

Year 6 : 2022

The Leadership Team, Captains and Vice Captains program will run at the start of 2022 when all children can be involved in the voting process. We will hold a special badge presentation assembly for the children who are voted into these positions next year.

Farewell Arch

The Farewell Arch Walk through will occur on Thursday 16 December @ 2.45pm.

Two fully vaccinated adults are welcome to attend but must stay on the grass and ramp area of the playground. Vaccinations will be checked at the gates by the Office staff and all parents must wear a mask.

As the 2021 school year draws to a close, I'd like to acknowledge the following people:

✧ The hard working Office and Teaching staff who have worked through such a challenging year like no other. As a Principal I could not have asked for a more committed and competent staff. It has been a hard and tiring year but we got through it.

✧ The fabulous students from Kindergarten to Year 6 who had to adapt to different ways of learning and then work really hard to catch up when they did come back to school if there were areas that weren't quite caught up.

✧ The wonderful supportive parent community whose messages of support and understanding were very much appreciated by me and the staff. Thank you from all of us for the lovely gifts and kind messages you sent in for the staff.

***To all our families and the school community,
Thank you for your continued support throughout 2021 and have a safe and happy holiday.***

Mrs Karen Masciocchi
Principal

Dates for your diary

December

- 13 Eagle Vale HS Transition Day
- 14 Students only Presentation Day
Canteen Christmas Lunch Pack
- 16 Farewell Arch @ 2.45pm
- 16 Last day of school for 2021

Awards : Positive Behaviour In our School playground

These awards are given to the students who display manners, friendliness and good sportsmanship on the playground during recess and lunch. These awards are counted as part of the trade up system. The tear off strips are placed in a special box each week and 6 are drawn out each Friday to receive an ice block voucher at the canteen.

Week 9: Aysha 2D, Annabelle 2D, Sebastian 1S, Jade 1S, Lyric 1S

Do something life-changing this year

Teach ethics at your
local school

For around an hour a week, you can teach an ethics class at your local school and help children develop skills for life.

Ethics classes support children to develop the skills they need to voice their opinions, consider the ideas of others and to make decisions based on evidence and reasoning rather than habit or peer pressure.

In ethics classes, children discuss ethical issues using an approved curriculum designed for each age group and include topics such as Laziness, Voting, How can we work out what's true? and Imagining how others feel.

Volunteers are needed now to teach ethics classes at a school near you. Training and support is provided.

Only about an hour a week

Find out more at
PrimaryEthics.com.au

PrimaryEthics.com.au
to learn more

Primary Ethics seeks volunteers to deliver weekly ethics classes to children across NSW. While close to 40,000 children in government primary schools currently benefit from ethics education, with more volunteers it could be made available to many more.

Primary Ethics is the not-for-profit organisation that is authorised to develop and deliver special education in ethics to children in NSW.

We rely on parents, grandparents and community-minded people to become volunteer ethics teachers in their local primary school. It is a rewarding way to be involved in your local community, learn new things and help children develop skills for life.

Comprehensive training, access to lesson materials and classroom support are all provided. Previous teaching experience is not required.

Opportunities are also available for behind-the-scenes roles including coordinators and regional managers.

“In time, not very much time at all, it will be the decisions of the children we teach today that will shape the world.”

*– Dr Simon Longstaff
The Ethics Centre*

**CREATING LIFE
LONG LEARNERS**

We offer the following:

- small and family like environment where strong relationships are built with children and their families
- daily activities that empower children to develop in all areas including problem solving, literacy and numeracy, fine motor and gross motor skills, social interactions, emotional regulation and to express creativity
- Christian based
- a beautiful natural outdoor environment that serves as a second classroom, where the children are encouraged to understand and appreciate nature and sustainability
- highly qualified and experienced educators

Testimony
Our four children attended over a period of 12 years!
We love that there was a lot of communication with us how our children were going and also that it is a small centre where everyone knew each other well.
I would recommend The Guardian Angel Preschool because each child is known and cared for as an individual.
