

### Term 1 Week 6 28/2/22-4/3/22

Dear parents

Parent Teacher interviews (Years 1 – 6) will be held next week and parents can book online for their **phone interview**. The website to book times will be open as from Thursday this week and parents can look up their class teacher and the days and times they are available. Please include your phone number when you book. **Please make sure that you answer the phone on the time you have been allocated** as teachers will be using their phones but with blocked numbers visible.

Web address is

[www.schoolinterviews.com.au/code](http://www.schoolinterviews.com.au/code)

When you enter the site to book you will be asked for a code – it is 5yw66

### Kindergarten Information Afternoon

**Wednesday 16 March 2022 @ 4pm-5pm (School Hall)**

Kindergarten staff will be holding an Information afternoon (as we were not able to do this last year during Orientation). Please come along and hear about all the new and interesting things planned for Kindergarten 2022.

### Mufti Day – Friday 4<sup>th</sup> March

This Friday we will be having a Mufti Day to celebrate the first few weeks of school. The students can wear their own choice of mufti clothes to school. Students need to wear closed-in shoes and no singlet tops.

We would like the students to bring a gold coin to school for wearing mufti. The money will go towards the Year 6 Farewell.

Thank you, Mrs Bentley (Year 6 supervisor)

### COVID UPDATE

From **Monday 28 February**, schools and early childhood education can invite visitors – including parents, carers and families – to their sites regardless of their vaccination status, in line with settings in the broader community.

All visitors (parents and carers, volunteers and contractors including cleaners) must use the [School Visitor Check-in](#) to comply with school sign-in procedures.

**Cohorting** : From **Monday 28 February**, schools will no longer need to keep students in their class or year group cohorts. This means schools can remove staggered start and finish times (does not affect us) and reintroduce cross-year group activities and events.

From **Monday 7 March**, masks will no longer be mandatory for staff in primary schools and early childhood settings. This staggered change recognises the lower vaccination rates in primary school-aged students.

**Hygiene and cleaning** : Students and staff are encouraged to wash or sanitise their hands regularly. Schools will continue to use enhanced cleaning processes. Target areas include high-touch areas, hard surfaces, door handles, lockers, light switches and handrails in stairways and areas where students and staff move through regularly.

Staff and students cannot attend school if they are showing any [symptoms of COVID-19](#) External link.

If symptoms occur at any time, your child should not attend school and should undertake a rapid antigen test.

From **Monday 28 February**, schools will align with community settings of 'symptomatic testing' and the department will provide:

- 8 tests per student and staff in schools
- Students and staff can use their allocation of RATs at their discretion such as if they are experiencing COVID-19 symptoms.

Have a great week everyone and keep safe in this wet weather.

Mrs K Masciocchi  
Principal

## *Awards : Positive Behaviour In our School playground*

These awards are given to the students who display manners, friendliness and good sportsmanship on the playground during recess and lunch. These awards are counted as part of the trade up system. The tear off strips are placed in a special box each week and 6 are drawn out each Friday to receive an ice block voucher at the canteen.

**Week 4:** Ashwin 3/4G, Leo 1S, Nash 1C, Cynthia K/1B

COVID continued

Students and staff can use their allocation of RATs at their discretion such as if they are experiencing COVID-19 symptoms.

If your child has even mild COVID-19 symptoms, get them tested with a RAT or PCR (nose and throat swab) test.

They must isolate until they receive a negative test result, in line with health protocols.

If symptoms continue, they should stay at home and take another RAT in 24 hours or have a PCR test. If the second RAT or initial PCR test result is negative, or another diagnosis is confirmed such as hay fever, they can return to school.

It is recommended that staff and students who return to school after recovering from COVID-19 do not participate in rapid antigen test surveillance for 28 days (4 weeks after recovery) following release from self-isolation. This is due to NSW Health advice that people who have recovered from COVID-19 have a low risk of contracting it again in the following 28 days. After 28 days (from week 5 after recovery), staff and students may resume participation in RAT surveillance.

## Campbelltown Performing Arts High School Year 7, 2023 Information Evening 16th March, 2022

Campbelltown Performing Arts High School will be holding a Year 6 Information Evening on Wednesday 16th March 2022 for all prospective students or those interested in attending our high school in the future.
